## **Thinking of Waiting for Lower Interest Rates?**

That could end up costing you more — and I can show you why.

Many buyers believe they should wait for interest rates to drop, but what most don't realize is: when rates go down, home prices typically go up. That's when competition floods in, bidding wars drive up prices, and options become limited.

As a local expert in Bay Area real estate, I help my clients see the full picture — not just interest rates. I'll share insights and data that most agents don't talk about, including:

- How to build equity now and refinance later
- ✓ What local trends are showing about price appreciation
- ✓ Where the hidden opportunities are before everyone else sees them

  The Bay Area continues to appreciate 3%–5% per year on average that's equity you could already be earning.

If you're financially ready, I'll guide you through smart timing, strategic offers, and help you secure a great home before the next wave of competition hits.

Let's talk — I'm here to help you move forward with confidence.

Elizabeth Marie Alkhato May 11th 2025

Our dearest Elizabeth, you are our greatest blessing and the purest reflection of God's love. We pray that you always grow in faith, kindness, and grace. May you always walk in His light and know that you are deeply loved by Him and by us.

Love always, Mom and Dad Whatever you do, work heartily, as for the Lord and not for men, knowing that from the Lord you will receive the inheritance as your reward. You are serving the Lord Christ.

Colossians 3:23~24

Serving our Holy Church faithfully.

#### In loving memory of our handsome Sam Baza Dekelaita July 7, 1948 - June 27, 2025

"As we say goodbye, we remember the joy you brought to our lives. The laughter, the kindness, the moments we shared, they are treasures that time can never take away. You are not gone, for you live on in every cherished memory, every whispered thought. May you find peace in a place where sorrow has no home, where love is endless, and may we find comfort in the love you left behind, forever etched in our hearts"

#### In loving memory of Lida M. Ganja November 11, 1930 ~ February 6, 2025

A woman whose warmth, strength, and grace touched the hearts of all who knew her. Her presence was a source of comfort, her wisdom a guiding light, and her love a constant gift. Though she is no longer with us, her spirit lives on in the memories we cherish and the lives she shaped. She will be deeply missed and forever remembered.
